

660th Session
Board of Examiners for Professional Engineers and Land Surveyors
March 9, 2004

The scheduled meeting of March 9, 2004 was held at the Board Office, 165 Capitol Avenue, Room 117 State Office Building, Hartford, Connecticut.

Anthony L D'Andrea, Chairman called the meeting to order at 9:10 am.

Attending the meeting were Terry McCarthy (3) Anthony L D'Andrea (4) PELS, and Robert L Doane (5) PELS.

Not present were John T DeWolf, (1) PE, John Hallisey (2) PE, Rocco V Laraia, Jr.,out of state (8) PM, and Leonard Grabowski (9) PM.

William O Giel (10) LS, Curtiss B Smith (11) LS and Robert W Grossenbacher (12) LS, were excused from attending the meeting by Chairman D'Andrea since there was no land surveying business.

There are two vacancies on the Board.

Also present were Steve Schwane for the Department of Consumer Protection/., Peter Huntsman from the Attorney General's office and Barbara Syp-Maziarz, Board Administrator.

There were no CHRO applications.

Atty. Schwane reported on the status of the proposed legislation. Atty. Schwane stated that the Department of Consumer Protection included all Bills pertaining to Boards and/or Commissions into one proposed Public Act. There was one issue that came up which was an opposition to the definition of engineering or the practice of engineering. The Department has decided for this session to pull that portion so that the remainder of the proposed legislative changes may be acted upon. The intent is to try to put in the change that was opposed in the next session, however, the department will try to meet with the Home Builders Association who have raised the opposition.

Complaint #03-7239- Atty. Schwane stated that this complaint is against two land surveyors who surveyed the same piece of property. The Department investigated this complaint with the recommendation that there were no violations. Atty. Schwane stated that he reviewed this complaint with the same conclusion, however he would like a Board member to step down and quickly review this complaint to see if the board member has the same conclusion. Robert Doane will step down to review this complaint.

C-Old Business

Mr. McCarthy stated that he had a conversation with the North Haven Planning Department regarding the stamping of plans by a landscape architect. Mr. McCarthy stated the Board's position that the cover sheet may be signed by a licensed professional from any discipline including Landscape Architecture, however, the cover sheet shall include the signature of a licensed professional from each discipline involved in the design. Mr. D'Andrea reiterated the Board's position that any discipline may coordinate the application process and prepare of the design set, however, each discipline has to be represented for their specialty

Mr. D'Andrea will draft a response to the Town of North Haven.

D-New Items

D-1 List of land surveyors who passed the October 2003 Exams and will be issued licenses. (Dist. 3)
