Legal Division- Updates by Attorney Schwane

- 1) Status of the two letters that the Board wants to forward to municipal agencies; one letter was in regards to Geographic Information Systems and the other letter was in regards to the submittal of digital plans. Attorney Schwane stated that the department had some concerns and recommended that the Board issue these as declaratory rulings where this gives the public the opportunity to respond. The Board's discussion revealed that if the notice is published in the Connecticut Law Journal by December 8, 2009, the Board could hold their hearing on January 12, 2010. Motion made by (10) seconded by (7) to authorize Attorney Schwane to begin declaratory ruling proceedings in accordance with the administrative regulations. Motion carried.
- 2) Regulations Conn State Agencies 20-300-10 (2009)- A draft was sent to the DOT for any further comments and Mr. Pratt from the DOT stated that the draft was fine. Attorney Schwane will begin proceedings to make changes to these regulations

- 3) State Library-Proposed regulations for filing maps-there have been several proposed revisions. Attorney Schwane will present the Board with a finalized draft when available.

Meeting adjourned at 11:10 am.

The next meeting for the Board is scheduled for January 12, 2010.
