Goals

- 1) To advance the inclusion of non-motorized transportation design elements in state and municipal road building projects as well as in both public and private development and redevelopment projects
- 2) Support and encourage pedestrian and bicycle connections between neighborhoods, commercial areas, employment centers, schools, state and municipal parks, and other designations serving the community
- 3) Integrate and connect the pedestrian and bicycle system with other transportation systems (roads, rail, bus, etc)
- 4) Support government policies and funding initiatives that favor transit and non-motorized transportation
- 5) To facilitate the implementation of the Complete Streets Law
