Operating Vocational Agriculture Programs

Sec. 10-64-1. Consulting committee

A regional vocational agriculture consulting committee shall be called into session no less than two times per year to review and assist in evaluating the program. Official copies of minutes shall be kept on file.

(Effective August 21, 1978)

Sec. 10-64-2. Full-year program

The program shall operate on a full-year basis to allow for occupational instruction and the supervision of student occupational experience programs. The staff shall be employed in such a manner as to ensure proper coverage of the twelve-month program.

(Effective August 21, 1978)
