Application of Chemicals to State Waters

Sec. 22a-66z-1. Application of chemicals to state waters

(a) No person shall introduce or cause to be introduced any chemical into the waters of the State for the control of aquatic vegetation, fish populations, or other aquatic organisms without a permit issued by the Commissioner of Environmental Protection.

(b) Application for said permit shall be on forms provided by the Commissioner of Environmental Protection and shall include but need not be limited to the following information:

- (1) Name and address of applicant.
- (2) The type of area to be treated (i.e. tidal waters, pond, etc.).
- (3) Whether the area to be treated is in a public water supply watershed.
- (4) The name, if any, and size of the area to be treated.
- (5) Owner(s) of the area to be treated.
- (6) Organisms to be controlled.
- (7) Species of fish present.
- (8) Chemicals to be applied.
- (9) Quantity of each chemical to be applied.
- (10) Person who will treat the pond.
- (11) Any other information deemed necessary by the Commissioner of Environmental Protection, and
- (12) Signature of applicant or person responsible for the accuracy of the information in the permit application.

(c) No person shall distribute, sell or offer for sale any pesticide for which a permit is required under this section unless the person receiving such pesticide has a valid permit issued by the Commissioner of Environmental Protection.

(d) Permits shall be signed by the pesticide distributor at the time of sale or distribution and shall remain in the possession of the permit holder. Once the permit is signed by the distributor, the permit will no longer be valid for the purchase of any chemicals.

(e) Permits shall be valid for one year following the date of issuance.

(f) A fee of \$25.00 shall be submitted with each application filed under this section. Any application submitted without the proper fee shall be considered incomplete, and shall not be processed.

(g) Payment of fees under this section shall be by certified check, money order, or personal check payable to the Department of Environmental Protection.

(h) Fees paid under this section shall be nonrefundable.

(Effective July 13, 1993)
