

Tax preparers who are not licensed Connecticut Certified Public Accountants (CPAs) are regulated by the IRS. The IRS requires that these non-CPA tax preparers obtain a Preparer Tax Identification Number (PTIN). If you believe a non CPA tax preparer has violated IRS regulations and would wish to file a complaint against them, please do so by completing this form: <http://www.irs.gov/pub/irs-pdf/f14157.pdf>.

The Connecticut State Board of Accountancy does not regulate non-CPA tax preparers, therefore cannot investigate any complaints against them. However, if there is a belief or complaint that the consumer was under the impression that the preparer was a CPA, the Board will investigate the complaint. Please find the Connecticut State Board of Accountancy complaint form: http://www.ct.gov/sots/lib/sots/sboa/sboapdf/complaint_form_final.pdf
